

2022 St Finley Estate Sauvignon Blanc

California

About This Wine

Sourced from some of the best vineyards in California's Central Coast and fermented at low temperatures to maximize the fruit's potential. This Sauvignon Blanc was aged exclusively in stainless steel for several months.

Tasting Notes

This exquisite wine unveils invigorating and vibrant aromas reminiscent of freshly squeezed lemon, zesty lime, succulent stone fruits, ripe pineapple, juicy melon, and delicate floral nuances, all gracefully intermingling. These enticing scents gracefully transition onto the palate, where they unfold into a symphony of flavors. An impeccable balance of crisp acidity lends a refreshing and lively character, while further revealing layers of complexity. As the wine evolves, it reveals lush tropical fruit nuances, enhancing the overall sensory experience. This journey culminates in a luxurious mouthfeel, where every sip delights with its supple texture and lingering satisfaction.
